Do you need...

- Supportive services to remain at home?
- Help providing care for a family member?
- Help planning for your future needs?

Unlocking options for older adults and their families.

This program is supported by grant number 90DR0046 from the US Department of Health and Human Services, Administration on Aging and granted through the North Dakota Department of Human Services, Aging Services Division.

DN1141

engaging in life.

Aging & Disability Resource LINK

Connecting North Dakota's older adults, adults with physical disabilities and family members to options, services and support.

encouraging options

North Dakota Aging & Disability Resource LINK assists:

- Adults 60+
- Adults with a physical disability
- Family members
- Anyone seeking in-home services in the community
- People who do not qualify for publicly funded services, as well as those who do

An options counselor is available to help...

- Find services you need today
- Plan for your future needs
